Election by voters seems out of the question -

If there are any vacancies in the present committee, suitable nominations may be called for, for the approval of Govt - the DyC may further be asked whether he proposes any, & what revision of the existing list - After examining his proposals & recommendations & papers orders thereon a list may be published by a Notification of Govt -

G 21/7/1905 I agree & also think that periodical revision say once in five years and new applns only what period are desirable - Supply may contain mis-direction also If the Dy Collr has no objn even the fellows of the Municipality & non Municipal members & non Municipal members of local Boards & Municipalities are to be invited periods
